

## PROPER CARE AND MAINTENANCE

SUSTAINING THE VALUE OF YOUR REHAU WINDOW PROFILES

# EASY CARE AND CLEANING TIPS

PREMIUM QUALITY FROM REHAU

Windows made of REHAU profiles stand out for their long-lasting quality, up-to-date technological, practical handling, and their special ease of care due to the smooth surface.

### How do you regularly care for the frame and sash?

Remove any contaminants caused by dust or rain using a household detergent and a soft cloth.

### How do you regularly care for the glass?

Clean window panes with clear warm water and a good-quality cloth.

### Care for and maintain your windows with:

- Household detergent for regular cleaning of the panes and frames for minor soiling
- Chamois for a crystal clear view
- Soft cloth to maintain the beautiful, shiny REHAU profile surfaces
- Silicone stick for greasing the seals

### NOTE:

- Avoid using any aggressive or solvent-containing polishing products or corrosive cleaners, such as synthetic resin thinners, acetone, etc.
- Do not use any abrasive cleansers
- Do not use any hard objects such as spatulas, wire brushes or rough sponges.

---

### **Tilt-turn and Casement Designs**

Clean compression seals with water and grease regularly with a silicone stick.

### **Hung and Slider Designs**

Use a vacuum to remove any unwanted debris from weather pile, and then wipe with a damp cloth.
